

II. REMARKS

Formal Matters

Claims 14-24 are pending after entry of the amendments set forth herein.

The specification is amended to reflect the cross-reference to a prior application.

Originally filed claims 1-13 are canceled. Claims 1-13 are canceled without prejudice to renewal, without intent to acquiesce to any rejection, and without intent to surrender any subject matter encompassed by the canceled claims. Applicants expressly reserve the right to pursue any canceled subject matter in one or more continuation and/or divisional applications.

New claims 14-24 are added. Support for new claims 14-24 is found in claims 1-11 as originally filed, and throughout the specification, in particular at the following exemplary locations: paragraph 0009; paragraph 0030; and paragraph 0044. Accordingly, no new matter is added by these new claims.

Applicants respectfully request entry and allowance of new claims 14-24, as shown above.

III. CONCLUSION

Applicants submit that all of the claims are in condition for allowance, which action is requested. If the Examiner finds that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

The Commissioner is hereby authorized to charge any underpayment of fees associated with this communication, including any necessary fees for extensions of time, or credit any overpayment to Deposit Account No. 50-0815, order number AERX-075CON.

Respectfully submitted,
